6.0 World / International Teachers' Day

This year, on **Monday October 5, 2020**, World Teachers' Day will celebrate teachers with the theme, "Teachers: Leading in Crisis, Reimagining the Future". So learners in all grades will knock off at 12 30 hrs on this day to allow time for teachers to celebrate their day.

Join me in saying, "Bravo, Teachers! You are the ones at the heart of efforts to attain the global education target of leaving no one behind."

Quote for your Child, the Learner!

- When you feel like quitting, remember how far you've come and look forward instead of behind.

Please do stay Safe!

Yours faithfully
