# IGCSE/ CAMBRIDGE TUITION LEVY

The Board of Governors in 2016 made a resolution to affiliate Lake Road PTA School with Cambridge University for IGCSE examinations centre. The resolution was passed in order to improve enrolment levels which were declining in the secondary school section. This resolution was effected by management in 2017 by ensuring the School was registered. Since the School was registered as a centre for IGCSE Tuition and Examination Centre, the School is charged annual subscription fee of GBP5, 621.88 additional to other costs for Cambridge resources and Continuous Professional Development (CPD) for the specialised teachers which is recoverable from the enrolled learner. The Board of Governors and Management of Lake Road PTA School, as a self-governing government school is mandated to manage the School sustainably and ensure prudent financial management of resources.
